GALLINA RANKS IN 2016 “TOP 100” FIRMS

ROSEVILLE, CA, MARCH 16, 2016: GALLINA LLP is highlighted on the Top 100 Firms 2016 by “Accounting Today” for their sixth consecutive year. On the list, GALLINA ranks among the top firms throughout the United States. The firm, with headquarters in California, demonstrates leadership for the Western United States listed in the top 10 for this large region.

For the past 29 years, Accounting Today has made a selective list of the top firms in the country called the “Top 100.” GALLINA LLP makes headway in the national scene for their fourth successive placement on the “Top 100” among the largest and best firms. The firm has also received many notable awards in recent years such as consistent recognition as “Most Engaged Workplace” among 50 companies in the nation by Achievers.

GALLINA LLP’s Managing Partner, Larry Taylor shares, “We are really establishing ourselves as a full-service accounting firm and moving away from operating as generalists. As a large firm, we have the resources to meet the varied needs of each individual client.” He credits “the superior talent and the achievements of our partners and team members in serving our clients, which has translated into the continued growth and success of GALLINA.”

In 2011, GALLINA made its debut on the “Top 100” list while ranking first for pacesetters in positive growth with revenue under \$100 million. That year, GALLINA also ranked first overall as the pacesetter with the largest percentage change at 31.25 percent. GALLINA has steadily climbed the overall list from ranking 97 during its debut in 2011 to 76 in the nation according to the 2016 list by Accounting Today.

Accounting Today published firm highlights including GALLINA's merger with Salt Lake City-based firm, Leverich Group in January 2015. GALLINA has also reported expanded service lines including international tax; state and local tax; and estate, trust retirement and succession services. Furthermore, GALLINA continues its membership with The International Accounting Group (TIAG®), a worldwide alliance of more than 115 independent accounting firms located in 200 offices spanning over 60 countries. The firm has also welcomed many new team members including Chief Financial Officer, Director of Human Resources, and several new partners. Additionally, GALLINA added a new Southern California office in Newport Beach to expand its market reach to the Orange County Region.
